Kristof Wolf is a London-based actor of Hungarian heritage with EU citizenship and UK Settled Status. He has appeared in many international productions including FBI: International (CBS) and Baptiste (BBC). he brings a cool, stoic intensity to screen, the kind of presence that says more in silence than most do in words. With a cool-headed presence, a naturalistic, minimalist style, and a rugged lived-in look, Kristof is drawn to grounded, complex characters, men carrying secrets, moral weight, working class everyman or quiet resilience. Intelligent, instinctive, and magnetic in front of the camera, Kristof is a rising talent built for cinematic storytelling.
